PERSONAL QUALITIES

A resourceful and highly experienced individual with over a year demonstrated success in customer service as well as maintaining high interests and achievement. I am exceptionally passionate about customer satisfaction and I strongly believe in self-empowerment and access to the best services for all. In addition, I am skilled in most of the components related to client service for instance;

- ✓ Respect. I respect the fact that clients actually pay our salaries and make our profits for us hence they must be accorded the necessary respect.
- ✓ Understanding. I am capable of understanding, identifying, and anticipating client needs.
- ✓ Listening. Keep your ears and eyes open. This is key in understanding client needs.
- ✓ Responding. Know you have to respond positively.
- ✓ Serving.

CAREER OBJECTIVES

- To work in an environment that is challenging, allows for relativity and provides for personal development and growth. I am willing to learn and share for growth of the organization, share from colleagues and use knowledge to gain better understanding of roles and responsibilities for the benefit of the organization at large.
- To exploit my potential and use skills and knowledge gained from training in delivering the best that offers growth opportunities to employees and clients.
- To ensure enhanced achievement of goals and implementation of the vision and mission of the organization.
- To carry out duties and responsibilities in a competitive environment.
